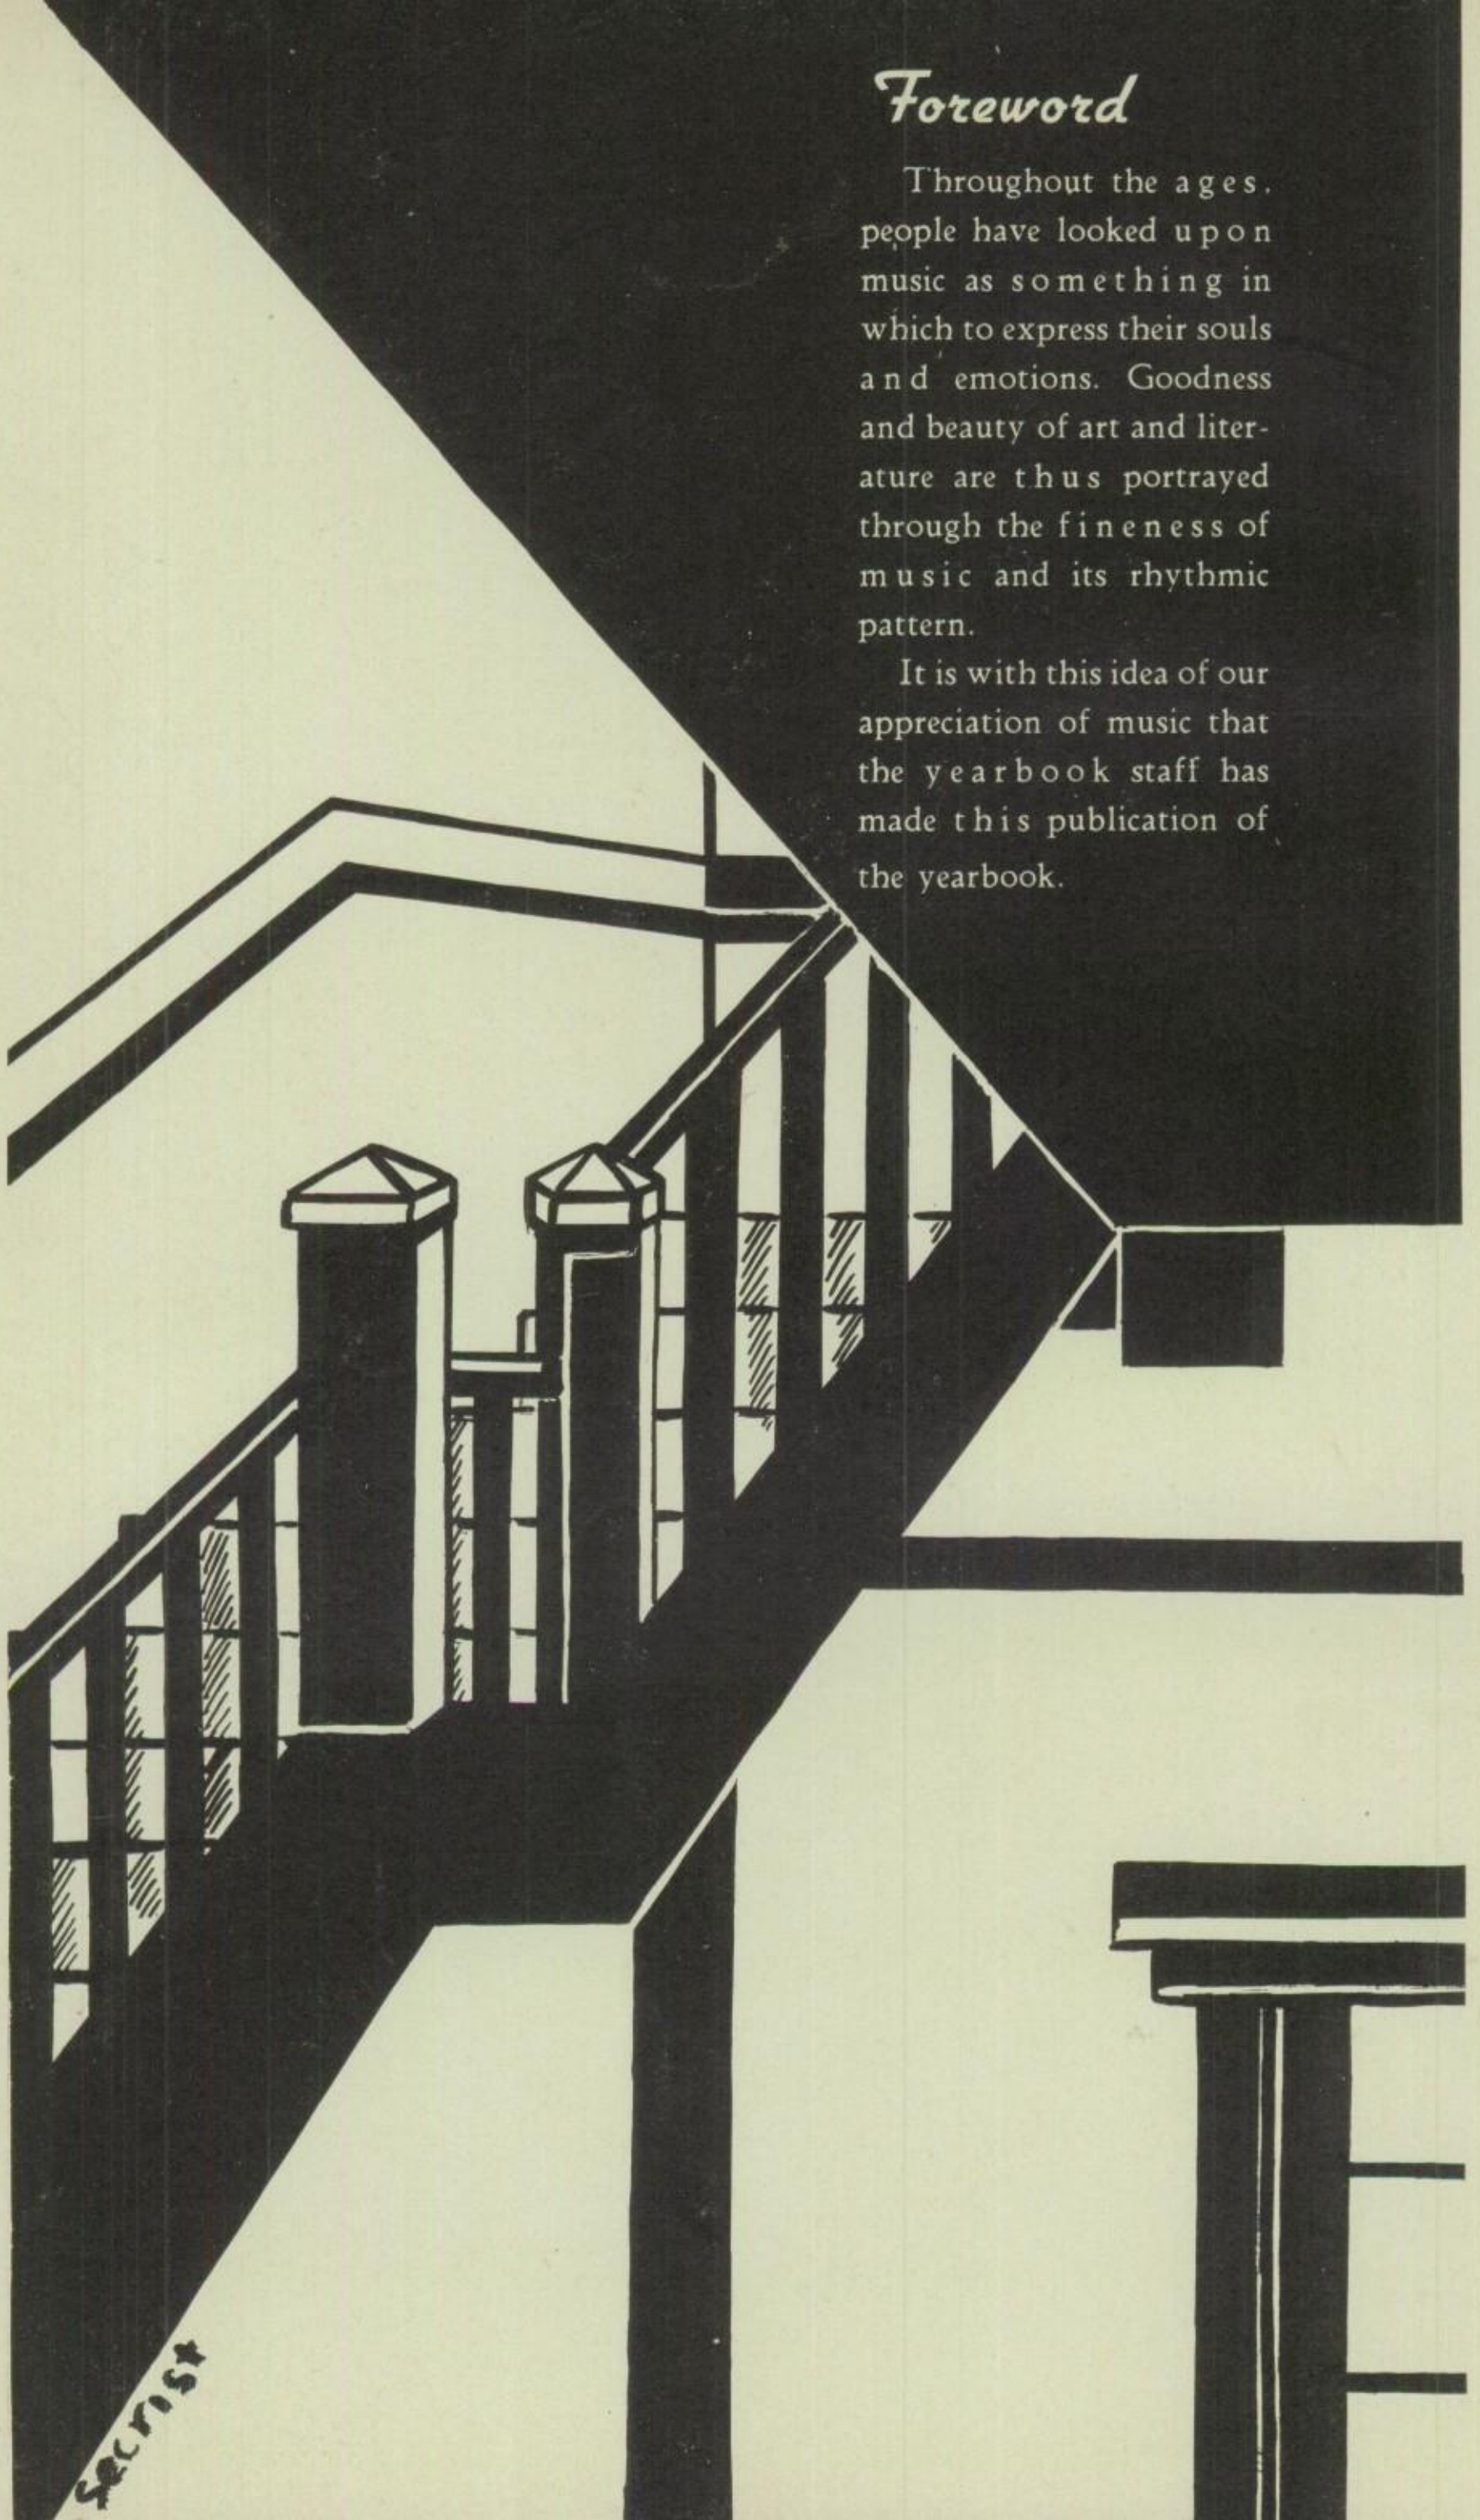
Foreword

Throughout the ages, people have looked upon music as something in which to express their souls and emotions. Goodness and beauty of art and literature are thus portrayed through the fineness of music and its rhythmic pattern.

It is with this idea of our appreciation of music that the yearbook staff has made this publication of the yearbook.



To rhythm for its presence in all things beautiful and its influence in everyday life, we dedicate this, the 1937 Boomerang.

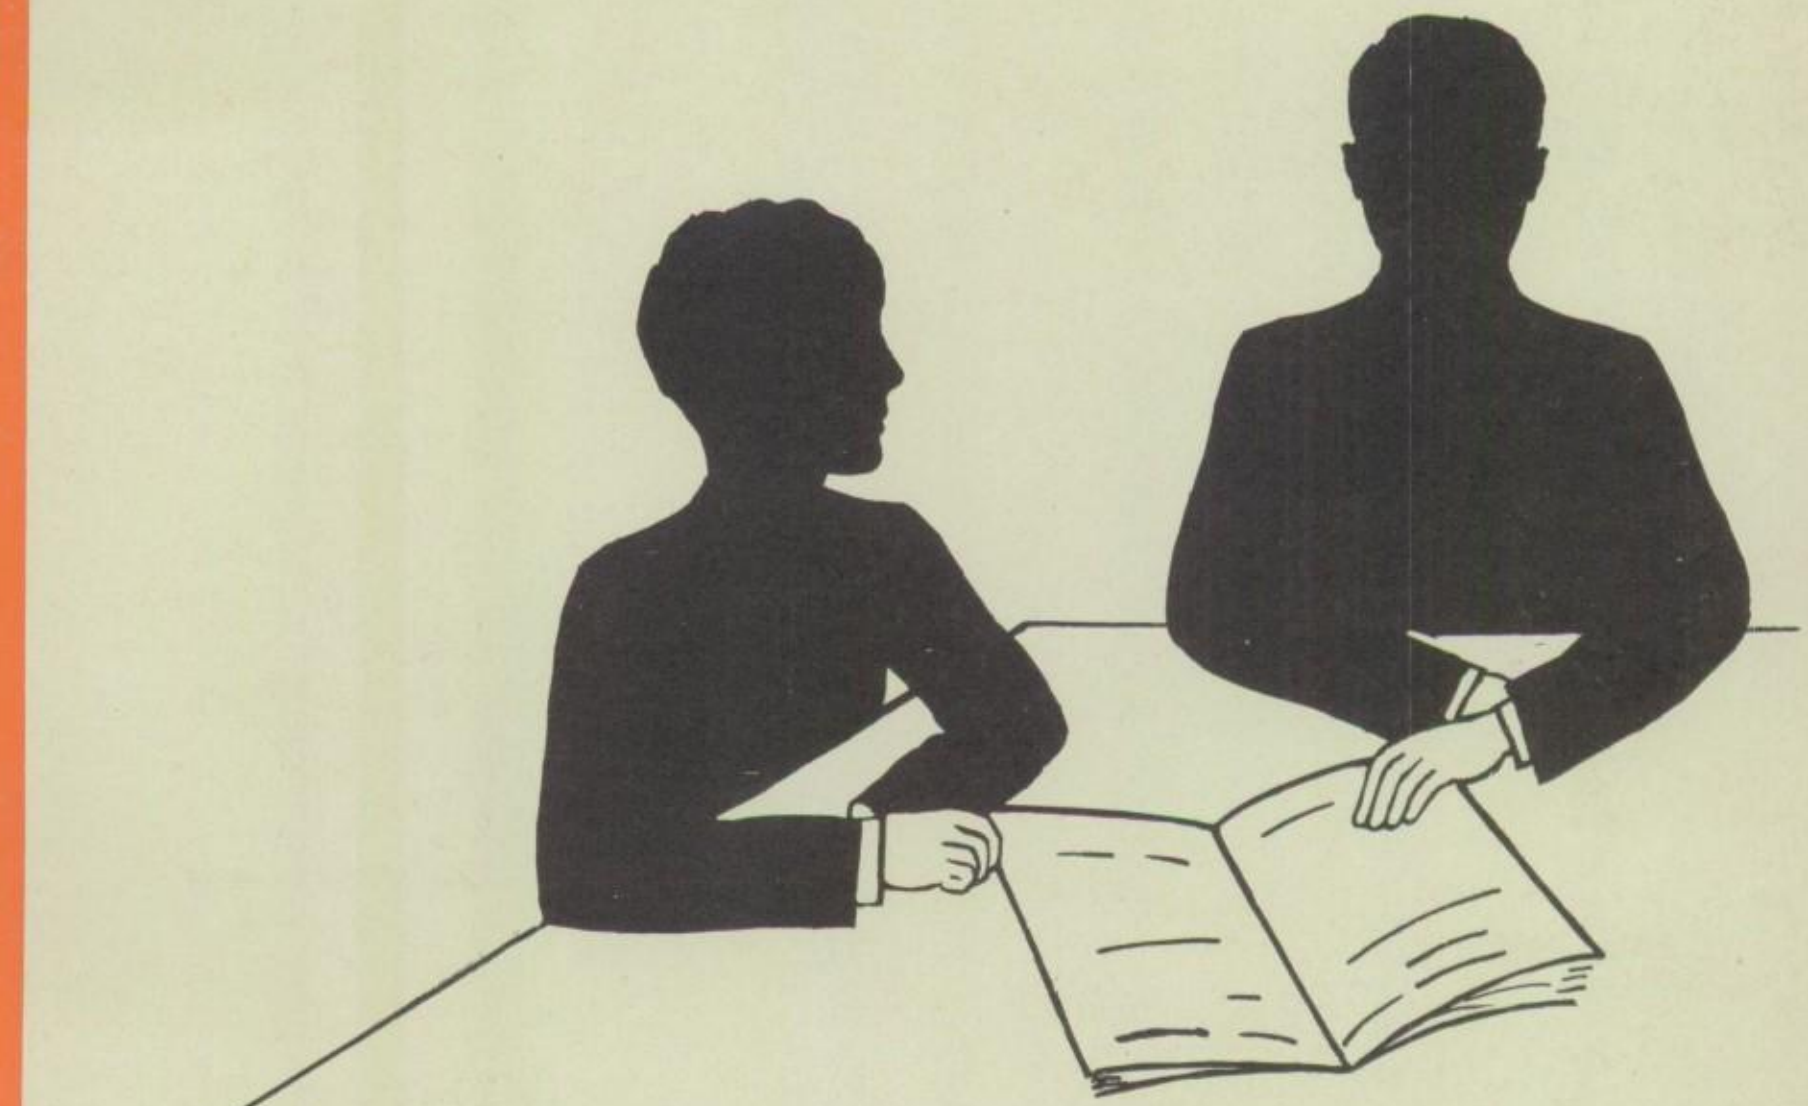
ADMINSTRATION

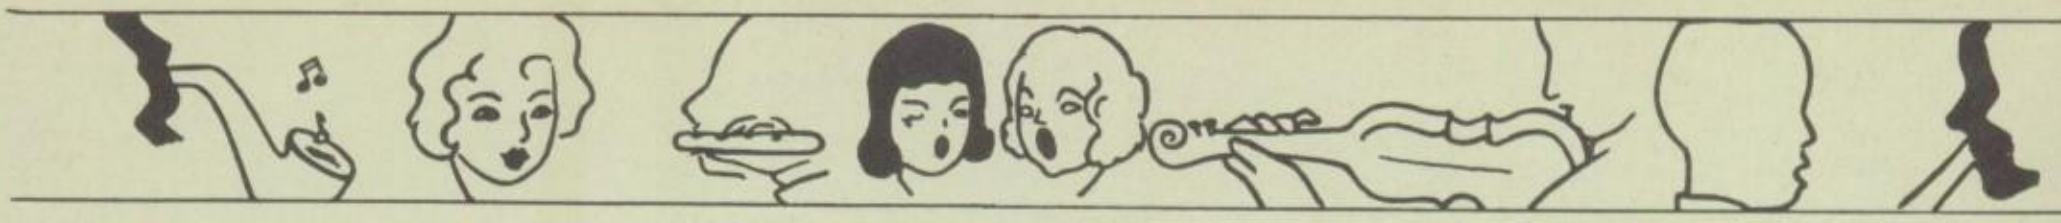


Left to right: John P. Holmgren, Wm. E. Davis, Clerk; Beale Cutler, John W. Peters, President; Hervin Bunderson, Superintendent; Hyrum Jensen, Perry Dalton.

Board of Education

The active interested participation of students in the school program, the intelligent support and suggestions of patrons on school problems, and the loyal cooperation of teachers in carrying forward school policies have made service on the Board of Education a pleasure, and the school year most successful.

John W Peters



F. A. Hinckley, Principal

I stood at Aspen Grove from where the annual B. Y. U. hike begins the ascent up the long, winding trail to the top of Mount Timpanogos. The climbers are led by an experienced leader who sets the tempo—controls the speed and directs the short but necessary rest periods. Those who follow his directions usually reach the top. Generally some strong ones, impatient at the restraint, go their own way. They are petered out before the summit is reached.

And I wondered if successful living is not, after all, a series of rhythmic habits. If we eat wholesome food at regular interval, take our much-needed sleep at definite times, and if our work and recreation are properly interspersed, do we not feel the glow and tingle of life that come with the sense of well-being. Would not our school life be happier and more successful if we set our time to a rhythmic pattern of study periods, rest, and recreation?

I am sure recreation is more enjoyable when taken in moderate doses, between periods of work. School is more satisfying when we feel the joy of success that comes from honest endeavor.

And so we may make the music of life a sweet melody, full of harmony and rhythm, when the spiritual, the mental, and the physical is set at the right tempo that brings each to a joyous fruition.

Valedictorian

DARWIN COOLEY has earned the high honor of being valedictorian for the class of 1937. This honor is awarded solely on scholastic attainment. Mr. Cooley has an excellent scholarship record. his score being very nearly a perfect "A" average.

Not only has Darwin won recognition as a scholar at Box Elder but he has also achieved marked success in our extra-curricular activities.

We are proud of Darwin.

We congratulate him on his achievement.

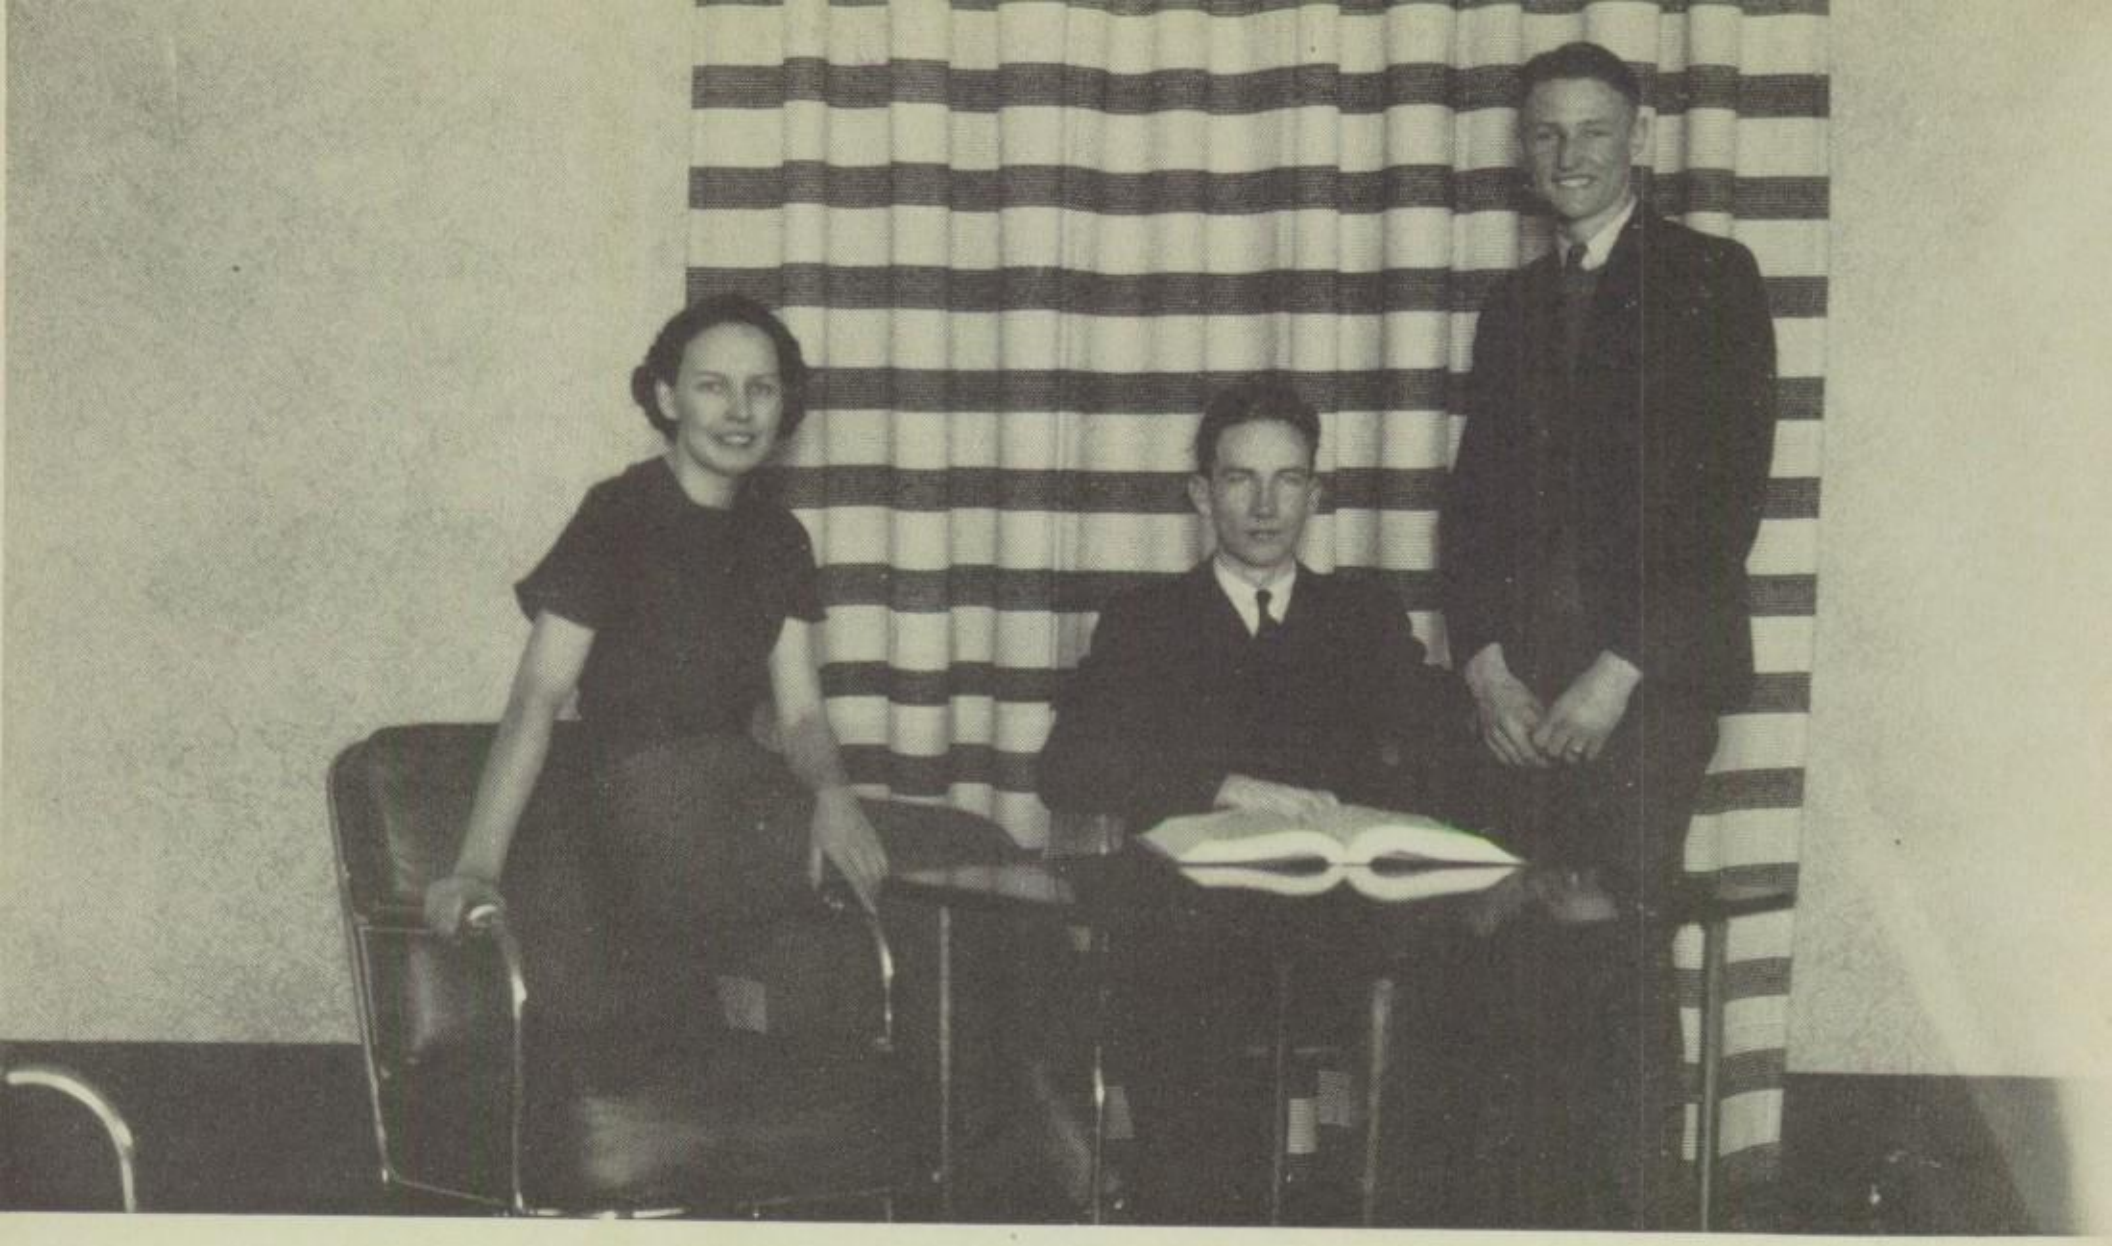
SENIORS



SENIOR CLASS OFFICERS

Ruth Christensen, Vice-President; Jarvis Petersen, President; Vear Jensen, Secretary-Treasurer.

The Senior Class

We, the Senior Class of '37, began our journey through high school with a serious purpose in mind. Our aim was to make this class so successful that we could look back with fond memories of our pleasant and profitable experiences at Box Elder High. Have we accomplished our aim? No doubt the big majority of the class would say that we had. We feel that nowhere else could we have spent our time to better advantage. We appreciate the opportunities our school offers for growth and development in many different fields of learning.

We are proud of our colors and hope that we shall always be a credit to Box Elder High. Though we have regrets in leaving we are grateful for our contacts here. We know that we are far better prepared to cope successfully with the problems of life as a result of the training received at Box Elder and the friendships formed while here. However, we must not stop now, Seniors. Let us use this knowledge and experience as a foundation for higher achievements.

We wish to express our appreciation to our advisers for the help and guidance they so willingly have given us. We especially want to thank "Dad" Beecher who has been with us for three years.

To the future Senior Classes, we wish you success at Box Elder High School, the best school in the state.

Last Will and Testament of the Seniors

Being in sound mind of all our normal faculties, we, the undersigned, hereby give and bequeath, these, our most valuable possessions to the weak and erring Juniors, hoping they will be of value to them.

1. I, Gordon Keller, leave my perfect complexion to Dale Welling, providing he will use Lux Toilet Soap.
2. I, Ila Call, leave the fountain to be held up by the stalwart Karma Kofoed.
3. I, Odean Hess, leave to give some college the "break" of its history.
4. I, Woody Hansen, will take my blushing ability with me. Wood that I could leave it!
5. I, Florence Huchel, leave for a much needed rest after the busiest school year ever to have been experienced.
6. I, LaVenna Marble, am leaving but I'm taking the Packer boy with me.
7. I, Nadine Madsen, leave with the hope of someday growing up to be a lady.
8. I, Maurine Jensen, am leaving and praying that Bob can leave too.
9. I, Darwin Cooley, am leaving to go give Einstein a few pointers.
10. I, Melba Jensen, leave but who will Mr. Jeppsen use for inspiration.
11. I, Wilda Anderson, leave to establish a Missionary Society, one way or the other.
12. I, Willard Jensen, leave immediately for Hollywood: watch out ~~Gable~~ Karloff
13. I, Norma Gibbs, leave to take my golden voice to Metropolitan.
14. I, Joel Lillywhite, am going to college to let my Paderuski hands carry many more basketballs.
15. I, Emron Wright, leave a lot of broken hearts behind me, or—are they coming with me?
16. I, Lenard Wight, leave to seek my fortune in Benny Goodman's orchestra.
17. I, Boyd Jeppsen, am leaving God's greatest gift to men, Ilene Carlson.
18. I, Dennis Wight, leave the Band (maybe) but how will it be able to carry on without me.
19. I, Ada Gyllenskog, leave to enter the holy state of matrimony.
20. I, Reese Jensen, leave Karma to the Sophomore boys. ~~Take~~ good care of her, please!

Junior Class

The class of "38" has traveled swiftly through three of the most enjoyable years of our lives. These years at Box Elder High have been filled with joys and opportunities.

The Junior Class had one of the largest responsibilities of the year, that of putting over a successful Junior Promenade. The theme of the Prom was beautifully carried out as a "Colonial Garden."

The Junior class has faithfully supported activities of the school. Junior students have been active in plays, publications and athletics. Members of the class look forward to building and contributing to the future success of Box Elder High.

Sophomore Class

Last year the class of "39" was inexperienced in B. E. H. S. activities. Time has removed our amateur standing and we now feel that we have taken another step toward a grand climax. We feel that we have done our best in contributing to our school success in "36" and "37" and hope to make each succeeding year bigger and better.

Freshmen Class

Although we are the youngest members of our school we boast of the unusual amount of loyalty and enthusiasm we have given every activity of Box Elder. Our class party was outstanding as will be vouched for by more than two hundred Freshmen who joined in the fun. Statistics show that we lack nineteen members of being the largest class in the history of the school. We resolve, however, to make up for this by being not only the largest graduating class, but at the same time the most outstanding class, ever to have attended Box Elder.

Secretarial Club

EMILY HADFIELD
President

The year 1936-37 has brought an increase in membership, an enlargement of activities, and a heightened interest in the aim of the Secretarial Club.

Each meeting is devoted to a discussion of some phase of the business world by local business and professional workers, who have been most generous in responding to our request of them.

Our act in the Girls' League Vaudeville was received with enthusiasm, as also have been the parties and activities within the club.

Social Behavior Club

The Social Behavior Club, which consists of twenty-five Freshman girls, was organized at the beginning of the school year 1936-'37. Our purpose for having the club was to gain more social knowledge and experience. We studied such subjects as table etiquette, conversation, entertaining, introductions, dress and others. We gave entertainments which provided opportunities for putting into practice what we learned.

We have enjoyed working under the leadership of the club officers who are: President, Nola Owens; Vice-President, Beverly Nicholas; Secretary, Gwen Ward; and Treasurer, Mary Brunker. Miss Rice is our sponsor.

We feel that the club has been worth-while and hope to continue our activities in the future.

Engineers' Club

Engineering is the branch of science dealing with design, construction, and operation of various machines, structures and engines used in the arts, trades and every day life. One of the more important branches is civil engineering.

The members of our club find problems of engineering a very interesting subject. A subject is explained, and a full and complete discussion follows.

Some of the many problems that we consider are: Floating bridges, dams and buildings.

We are an active club and enjoy each members' contributions to these interesting discussions.

Social Games Club

This girls' club was organized this school year to further our knowledge of a social life. Besides playing games, we have taken up various problems of etiquette.

The girls have spent an enjoyable year, working and playing under the affable leadership of Dorothy Wolfley, President; Mildred Glenn, Vice-President: Barbara Bott, Secretary; Karma Kofoed, Reporter; and Mr. Beecher as sponsor.

It is our ambition as a club to continue and push forward all school activities.

Girls' Athletic Club

The G. A. C. has been very successful this year. In the fall a hike to the canyon was held as an initiation for new members.

An act for the Vaudeville was presented called the "American Girl."

An intramural program has been sponsored in which ten clubs participated.

The G. A. C. aims to develop leadership and sportsmanship among the girls in athletics.

The officers of the club are: Sponsor, Zula Hansen: President, Enid Fishburn: Vice-President, Beth Fuller: Secretary, Helen Davis.

Stamp Club

For the first time at Box Elder the Stamp Club has represented the movement of "philately" with encouraging results. The object of the club is to bring together students interested in any and all phases of stamp collecting as a hobby.

The club activities have included participation in the Girls' League Vaudeville, regular sessions at which stamps are b o u g h t, sold, exchanged, and discussed, and a "big" party. Some members have also exchanged correspondence with students in other parts of the world.

Besides an interest in stamps the club feels that a greater appreciation of the geography and history of the people of the world is developed through a study and d i s c u s s i o n of postage stamps.

Adventure Club

The object of the Adventure Club is to stimulate interest in our local people and communities, then compare our conditions with those of foreign people.

Since the club members cannot visit people and places by direct travel we chose the next best method—that of reading books and magazines. The National Geographic is our main source of study.

I have enjoyed your friendship & we had a lot of fun this year. Adieu. Jean

Science Club

The Science Club is open to all students who have completed or are completing a minor or a major in science.

Each year the club selects some interest for study. This year "Photography," has been the major consideration of the club in its various meetings.

An outstanding individual accomplishment during the year was the construction of a sound film projector by Jay Hansen.

Archery Club

"Preparation for carry over activity is one of the important duties of citizenship. The qualities of loyalty, discipline and leadership in club activity are valuable in formation of character."

It has been the policy of our club, through the efforts of the sponsors and members, to cooperate and make archery at Box Elder as effective as it is consistent to do so.

BOB HAMILTON
President

Rifle Club

The Rifle Club of Box Elder is organized for a limited number of Junior or Senior boys who are interested in learning the care and use of firearms. Club meetings are held in the armory where regulation indoor targets are used in practice.

It is the aim of this club to become a member of the National Rifle Association of America, thus, permitting its members to qualify for medals in marksmanship.

Dear Margaret
Here's wishing you many a happy school year from now on.

F. F. A. Club

The F. F. A. Club is a national organization which is made up of boys taking vocational agriculture throughout the United States. In the State of Utah there are 38 F. F. A. club chapters with an enrollment of over 2500 boys. Every year a national convention is held at Kansas City, at which each state sends two delegates, and each state also holds a state convention at which each chapter sends two delegates.

This year marks the tenth anniversary of the national F. F. A. organization. The Utah State Association has been invited to send a state band back to the national convention in Kansas City, next October. Five boys from the Box Elder F. F. A. chapter have been selected for members of the state band.

The purpose of the F. F. A. organization is to develop agriculture leadership, to create more interest in the intelligent choice of farming occupations, to create and nurture a love of country life, improve rural homes, promote thrift, scholarship, and to encourage recreational and social activities among students in vocational agriculture.

Wisdom is knowing what to do next; skill is knowing how to do it, and virtue is doing it.

Our club consists of 56 girls all interested in finding the thing in life that we can do best, and that will bring in return the greatest amount of happiness.

We further believe that Booker T. Washington was right when he said, "Everyone can find some place and do some work better than anybody else. To find that place at the earliest day and to do that work in the worthiest way, that is to be successful."

La Dean Cazier is president, Maurine Hansen is vice-president, Wanda Nelson is secretary, and L. D. Wilde is sponsor.

"B" Club

The "B" Club is composed of fellows who have won their letter in one of the three major sports; football, basketball, or track, and it is the only boys' honor club in the school.

The club stands for clean living and high ideals in all undertakings. This creates better athletics, better sportsmanship, and keener competition.

This year the boys have been the ushers to our basketball games to help in serving the school.

Our float won first place in the club section of the school in the Peach Day parade.

The best social event of the year was the annual "B" feed.

Tumbling Club

The members of the Tumbling Club are interested in developing good form, posture, and carriage of the body.

Mr. Millet organized the club in the year of "35" with the view of creating acrobatics and gymnastics. He has spent considerable time in helping the boys and he now has a good, live healthy group in the club. Due to Mr. Millet's good teaching the club has increased to quite a larger number this year than in the past.

The club gave a good performance in the vaudeville entitled, "The Three Little Pigs."

Junior Promenade

People who attended the 1937 Junior Promenade will have palpitation of the heart when they see these pictures whether it be five days or five years hence — of course the degree of palpitation will be dependent upon the reaction to the dance.

The theme of a southern plantation garden was carried out. The orchestra, The Rhythm Aces, sat on the porch of the mansion. Arches of wisteria and rose covered lattices led to a rock garden and water fall. Refreshments were served from a rose arbor, and the guests entered through a garden gate.

Harold Secrist, Prom Chairman, is to be congratulated for his untiring efforts and original ideas for decorating. Others too numerous to mention faithfully helped to make the prom a great success socially as well as financially.

A. B. CASEMAN, *Director*

Under Mr. Caseman's direction the Box Elder High School Band has brought fame and honor to Box Elder every year since his coming to Box Elder four years ago—the last two years we have had the highest rating in Utah.

It is always difficult to say just what our Band will do in competition this year, but with the type of director and teacher we have at the helm, we can safely predict a band to compare favorably with the best Class A band in the west.

Band Officers

Front Row, left to right: Dennis Wight, Drum Major; Jocelyn Slater, Maurine Jensen, Librarians; Blanch Toombs, Secretary and Treasurer; Ida Tingey, Student Director; and Mildred Glenn, Librarian.
Back Row: Junior Bott, Reporter; Jarvis Peterson, Vice-President; Junior Seavers, President and Student Director; and Helen Wright, Librarian.

This year, as usual, the officers of the band have improved over preceding years, in responsibility. There couldn't be a group of officers who could accept responsibility more cheerfully or discharge their duties with greater effectiveness. Many, many things, done by directors of some bands, are done by the officers of our organization and this gives our director more time to do the teaching and organizing that keeps our band the splendid organization we want it to be.

Front Row, left to right: Helen Wright, LeJune Forsgren, Grant Anderson, Glade Hansen, Betty Lee, Virgil Cutler, Helen Hillstrom, Pauline Schneider, Nola Owens, Mildred Glenn, Ardus Seeley, and Noel Johnson.
Second Row: Leonard Wight, Junior Bott, Bill Holmes, Bill Thayne, Clifford Hatch, Jarvis Peterson, Junior Seavers, LeGrande Colby, Don Bowen and Donna Tingey.
Third Row: George Hodges, Helen Thorne, Burt Horsley, A. C. Cook, Richard Harris, Leo Nelson, Ida Tingey and Nola Peterson.
Back Row: Carlyle Green, David Peters, Paul Peters, Grant Welling, and Wynn Fife.

Solo Team

This year's solo team looks like the picture of a good sized band—there being around 40 members of our band trying for the "Caseman" medal.

The winning soloist on each instrument will represent Box Elder in contests and the ones receiving highest rating among these will receive a "B" pin.

The best soloist, or the one so judged by some college music man, will receive the "Caseman" award which is the highest honor to come to any band soloist.

Last year in the contest judged by Professor C. J. Hawkins of the University of Utah, Miss Afton Bingham beat Junior Seavers by a fraction of a point for the Caseman medal. This year Junior will be hard to beat, and whoever wins we are proud of the large number participating.

Drum Major and Color Guard

Each year four of the Senior Girls who are outstanding in marching ability, character, personality, posture, and scholastic work, are chosen by local Legionaires and faculty members to act as sponsors and color guards of the band.

This year the judges were many days deciding who to select as the four outstanding. Competition was so keen that three or four groups of girls could have been chosen.

We are proud of these girls and we're sure they will add to the appearance made by the Box Elder Band on all their many trips—as after they are chosen they are as much a part of the band as any one, and the band is never seen on parade without them.

This year's band is the largest in the history of the school and probably one of the largest in the entire United States, having an enrollment of 96 members.

As far as community and school support are concerned, the band has been 100% active, as in the past, and has enjoyed the usual fine support of our community and Board of Education, in return.

At Logan, in the State Contest last year, Box Elder again rated in the highest division, and was the only Class A band to "repeat after winning this rating at Provo in 1935.

Whether we will again rate the highest to make three years in succession, remains to be seen.

Mr. Caseman, our director, has told us that this year's band should be as strong as any preceding year, but it is very easy for us to let success in the past "go to our head" and have our band fall, but we have confidence that everything will work out so that our band will compare favorably with the best of them.

The band will be out to recover its marching ability in which we fell down last year. In 1935 our band reached the highest rating and, incidentally, it was the only band that rated highest in both playing and marching. Success to you, band, the school is behind you in everything you do!

The Intramural Athletic Program

A new program was started at Box Elder this year which thus far has proved very popular with all students and which should grow to be one of the outstanding activities at our school.

The intramural athletic program had its beginning in the college and in every section of the country is an outstanding program. In most sections the program is definitely on its way. In the high schools of Utah it is merely in its infancy. Box Elder is one of the first schools to attempt a full time intramural program. It is our plan to make Box Elder an even better school by making it a leader in this new program.

The purpose of the program is well founded in a few definite aims and objectives: 1. Mental development. 2. Physical development. 3. Social adjustment. 4. Worthy use of leisure time. 5. Better citizenship.

In no way does our program interfere with the high school athletic program but instead discovers new material and through the mass participation program helps develop them for our future teams.

We have built a firm foundation. Now it is our job to build an outstanding intramural program in this section of the country.

We wish to congratulate the Boomerang Staff and the students of Box Elder High School on submitting such a lovely year book

(It will bring back the happiest of memories as years go by.) I hope — a friend Verona Cook.

May we be mingled in those happy memories as a store of "BETTER VALUES ALWAYS."

School Calendar---1936-1937

SEPTEMBER

Vacation came to an end as all good things must and we polished our smiles and the good old brain up for another year of school. Many good old faces were missing but there were new ones to take their places.

September 11, 12: We celebrated Peach Day as is our custom by taking an active part in the parade.

The Boys' and Girls' League were organized and on the 28th the Girls' League gave a most successful "Kid Party" for girls only.

OCTOBER

October, the month for football, furnished a lot of thrills and chills. Beginning with the homecoming game with Bear River 20-0. We won them all. The "B" on the hill was admired and the pep rallies enjoyed. Had two days holiday at the end of the month. It was enjoyed by everybody.

NOVEMBER

More football. Everyone who could walk, ride, or stow away went to Carbon and helped defeat the gallant Dinosaurs 13-7.

Harvest Ball was again successfully sponsored by the F. F. A. with Beryl Hansen as Harvest Queen.

Lost our final game with Jordan at the U Stadium 13-7. We still say "what a team."

DECEMBER

The best vaudeville produced in a long time was put through by the Girls' League. Built around a book theme it was very clever.

Preceding the Christmas holidays the alumni program and dance were held. The old "grads" returned and uttered words of wisdom to we lesser mortals. We are always glad to see them. Come again. Oh joy of joy two weeks of holiday.

JANUARY

Winter is here for sure. The lyceum number by "Eagle Plume" will long be remembered by all those fortunate enough to hear him.

We played first basketball game with Bear River, though we lost, our team looks grand.

A variety of five one-act plays were directed and presented by Nial Nelson.

FEBRUARY

Annual Bee Ette Sweetheart Ball was held. Everybody enjoyed a gay evening.

Our basketball boys came to the front tripping the clever Ogden team. The following week they repeated their performance and won from Weber.

MARCH

Featuring a date bureau the All Club Night Dance was a very successful affair.

"Jonesy" the school honor play was presented several times to very appreciative audiences.

Monroe High School's Orchestra De Luxe entertained us most royally. Come again.

Crowning the year's social season the Junior Prom afforded the students an opportunity to don formals and enjoy a wonderful evening of dance.

APRIL

Spring at last with the campus swarming with spring football players. The annual Bunny Hop was enjoyed by a large crowd.

A new day was inaugurated known as "Home Economics Day." Many mothers visited the school and were entertained by their daughters.

MAY

The month we have been looking for all year. A dancing review was presented. The faculty reception for the Seniors was delightful. Our parents visited school once more and viewed the work completed by the students in the different departments.

The Senior Play was presented in a pleasing manner. Closing a most successful school year.

Dearest Margaret,

You are certainly a grand kid and I have enjoyed knowing you this past school year.

To keep up with Willard Jensen here's a bit of poetry.

"When twilight pulls its curtain down and pins it with a star
I'll always always be your friend though you may wonder far."

Wishing to a swell kid all the success and happiness in the world

P.S.
On your doghouse of friendship
Consider me as a guy.

Don't forget the good old "skating rink." (How could you?)

Bigod.

Have this for Lilling (a forget)

and please don't forget the evening you took me to the bathing and wanted to be my bathing beauty, but she "Kissed me" instead.
